# SUNDERLAND'S TENTH ANNUAL

**APRIL 2 & 3, 2005**

*"Sugar Time"* By Walter Campbell

[www.maplesyrupfestival.ca](http://www.maplesyrupfestival.ca)

## "Has it really been 10 years?"

A small rural village situated on Highway 12 in the township of Brock, Sunderland was once known as a place to stop for ice-cream on the way to the cottage. Now the town is famous for the gala event which celebrates the Canadian tradition of producing maple syrup from the sap of maple trees.

And it's more than just a walk in the bush. As well as sugar shacks, there is a whole weekend of entertainment. Cloggers, singers and bands take to the outdoor stage. Vendors show their wares at the street mall & arts and craft show. There are fun-filled competitions for adults and children alike. Pancakes slathered in fresh locally produced maple syrup are served all day long in community halls, or enjoy a variety of other tasty morsels at one of our many service groups located throughout town. The real stars are the local volunteers who devote their time to making the Festival so enjoyable. Without our exhibitors, corporate sponsors, service clubs, local organizations, and volunteers, the Festival would not be a success. Not only do the residents of Sunderland and Festival visitors have a fun-filled family time, but the Festival also raises money for worthwhile local causes. For example, in the past, the Festival Committee has donated thousands of dollars towards a new fire truck, the skateboard park, the basketball court and the beautification of our downtown core.
