MAPLE SYRUP

THIRD ANNUAL MAPLE

WELCOME

The festival brings together many local businesses and community associations in a joint fundraising effort while promoting the heritage and spirit of this area.

The proceeds from this year's event will go towards purchasing a new rescue vehicle for our volunteer fire fighters, a much needed piece of equipment which will ensure the safety of residents and visitors alike.

Many volunteers and various non-profit organizations provide services within our community making it a wonderful place in which to work and do business.

We celebrate our Festival with family fun and entertainment. We hope you will join with us in giving a warm, heartfelt welcome to this year's Ambassador CARL COULTER of Saskatchewan Rough Rider fame.
