# Mayor's Message

Dear Residents and Visitors,

On behalf of the Township of Brock council, staff, and the entire community, I am delighted to extend warm greetings to everyone attending the 2026 Sunderland Maple Syrup Festival.

For years, this beloved festival has celebrated the rich agricultural heritage of our region, the arrival of spring, and the hard work of our local maple syrup producers and our cherished volunteers. It is a time when families, friends, and visitors come together to enjoy the sweet traditions that make Sunderland, and Brock, such a special place.

Events like the Maple Syrup Festival not only highlight the importance of our rural roots, but also strengthen community spirit and support local businesses. I commend the organizers, volunteers, sponsors, and producers whose dedication and passion continue to make this festival a treasured annual tradition.

I wish everyone a safe, enjoyable, and memorable festival. May your days be filled with good company, great food, and plenty of delicious maple syrup. See you there!

Sincerely, Mayor Mike Jubb, Township of Brock

## Supporting Our Community

The Sunderland Maple Syrup Festival raises funds to support various local and municipal organizations and projects, including school programs. The Planning Committee volunteers spend many hours in planning and preparing for the fun-filled 2-day event. Many more volunteers support and help out during the festival weekend. The Festival has supported many local initiatives and, to date, we have distributed over \$50,000 throughout our community.
